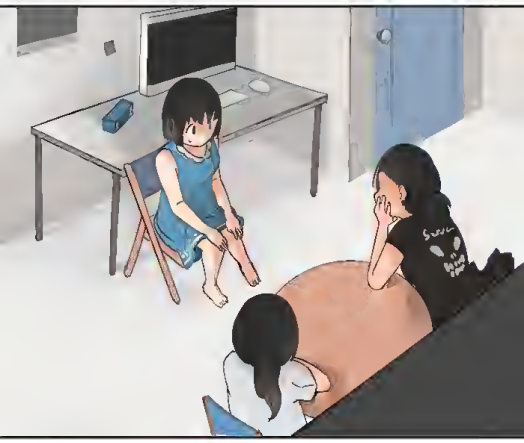
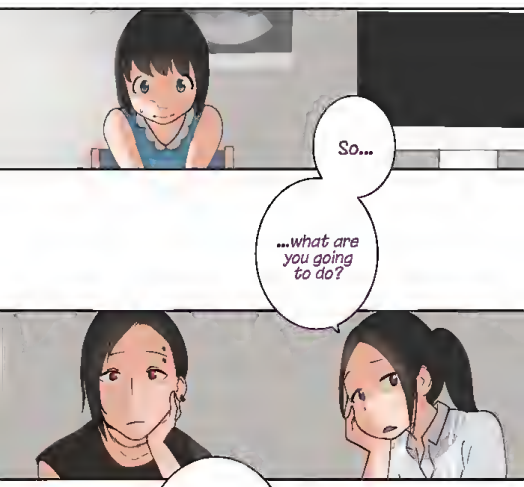
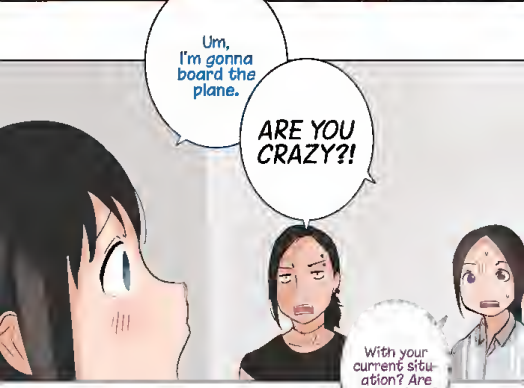
Chapter 19 - Let's Go Home

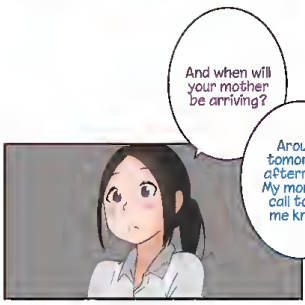




So...
...what are you going to do?

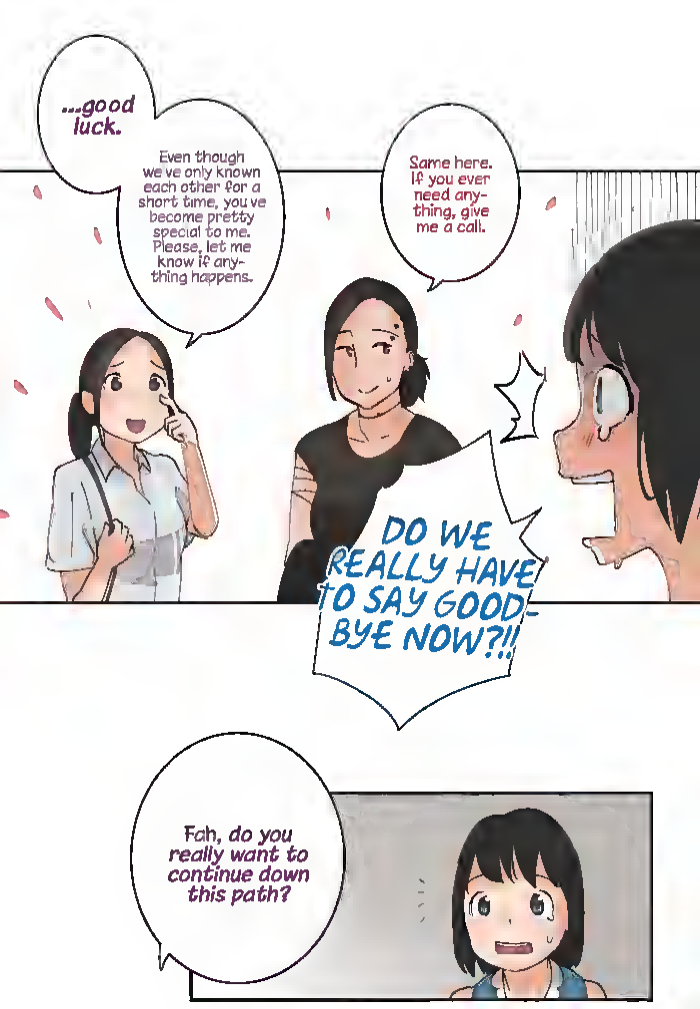


Um, I'm gonna board the plane.
ARE YOU CRAZY?!
With your current situation? Are you serious?

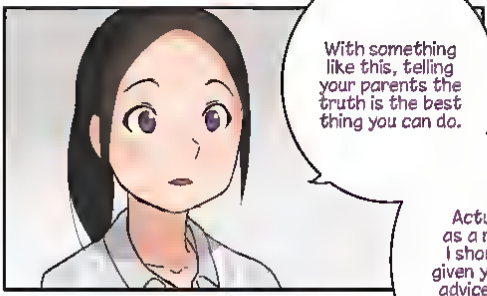


And when will your mother be arriving?
Around tomorrow afternoon. My mom will call to let me know.

Well, it's finally come to this. I guess all I can say is...



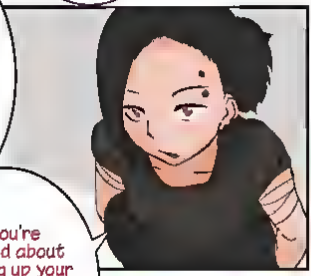
...good luck.
Even though we've only known each other for a short time, you've become pretty special to me. Please, let me know if anything happens.
Same here. If you ever need anything, give me a call.
DO WE REALLY HAVE TO SAY GOOD-BYE NOW?!!
Fah, do you really want to continue down this path?



With something like this, telling your parents the truth is the best thing you can do.

Actually, as a nurse, I should've given you this advice from the start.

But it's only a suggestion.



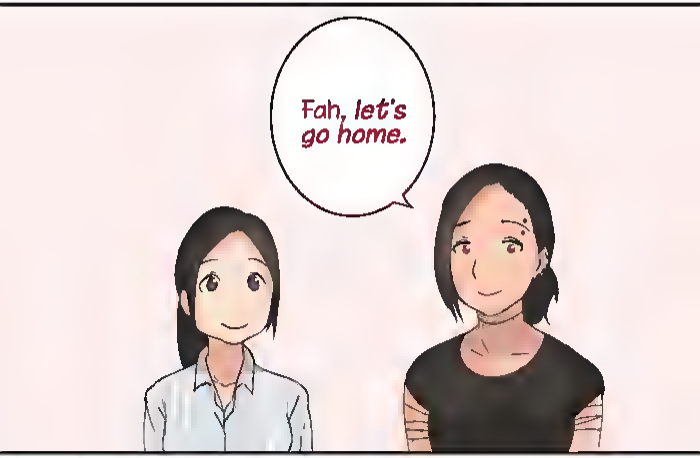
I agree. Being on your own ain't a good idea.

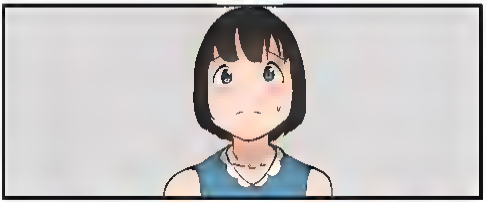
If you're worried about messing up your boyfriend's studies or ruining his life, don't.

Just worry about yourself and your kid...

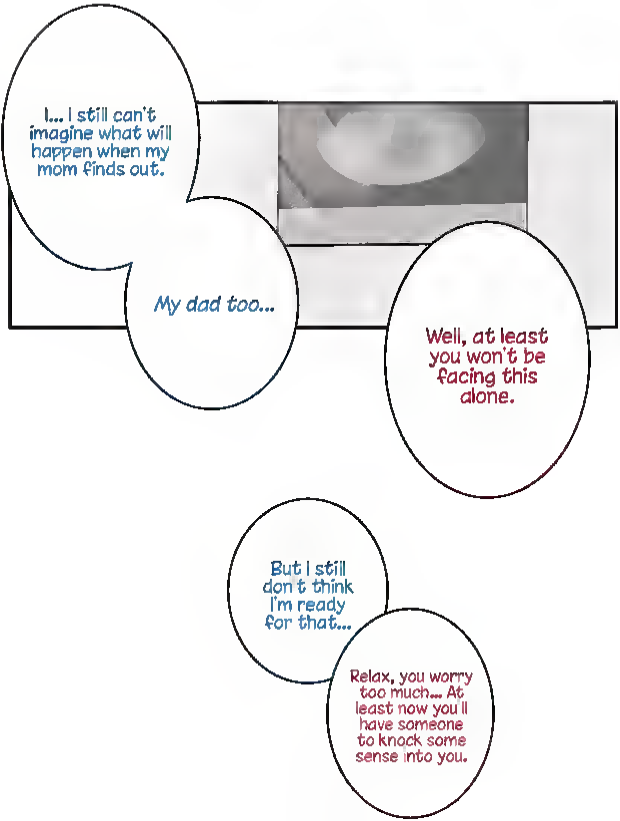
Well, if you put it that way...
One last thing.
How are you going to hide that big belly of yours?
BULL'S EYE.

So...
this is it.

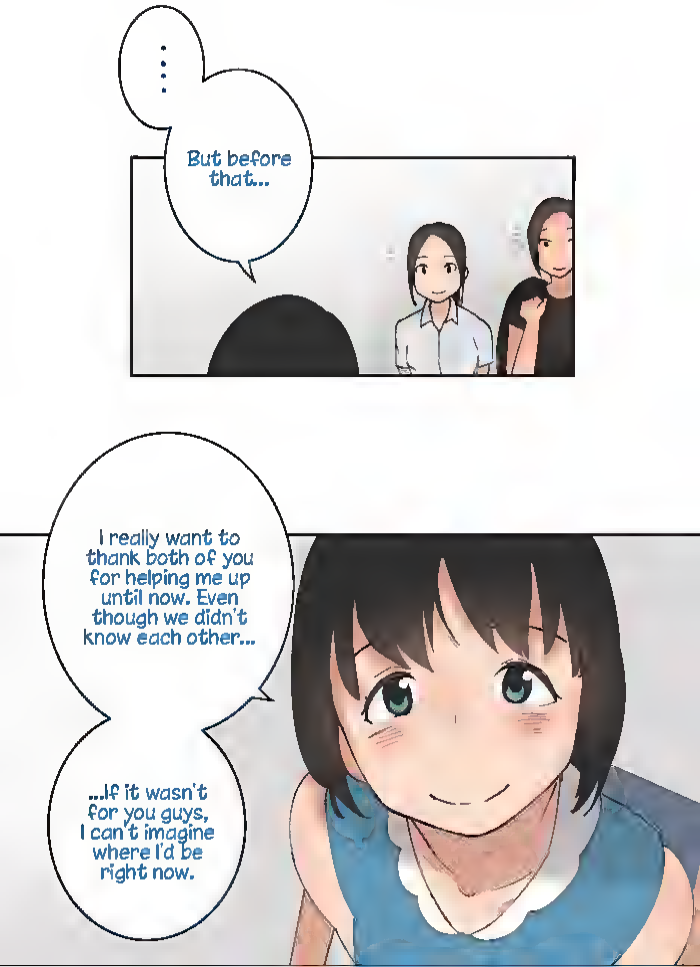




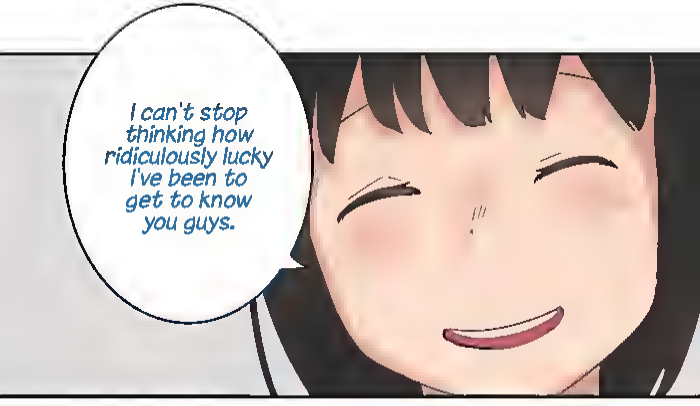
Yeah.



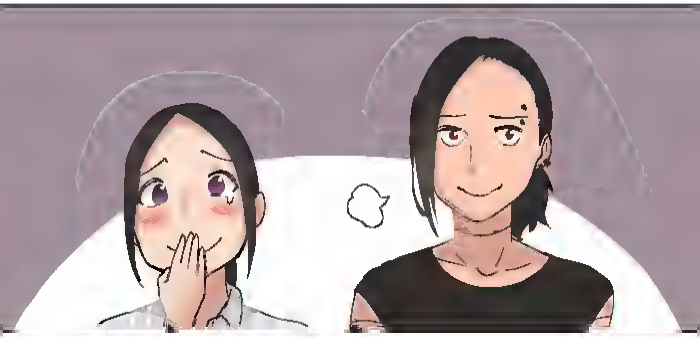
I... I still can't imagine what will happen when my mom finds out.
My dad too...
Well, at least you won't be facing this alone.
But I still don't think I'm ready for that...
Relax, you worry too much... At least now you'll have someone to knock some sense into you.



.....
But before that...
I really want to thank both of you for helping me up until now. Even though we didn't know each other...
...If it wasn't for you guys, I can't imagine where I'd be right now.



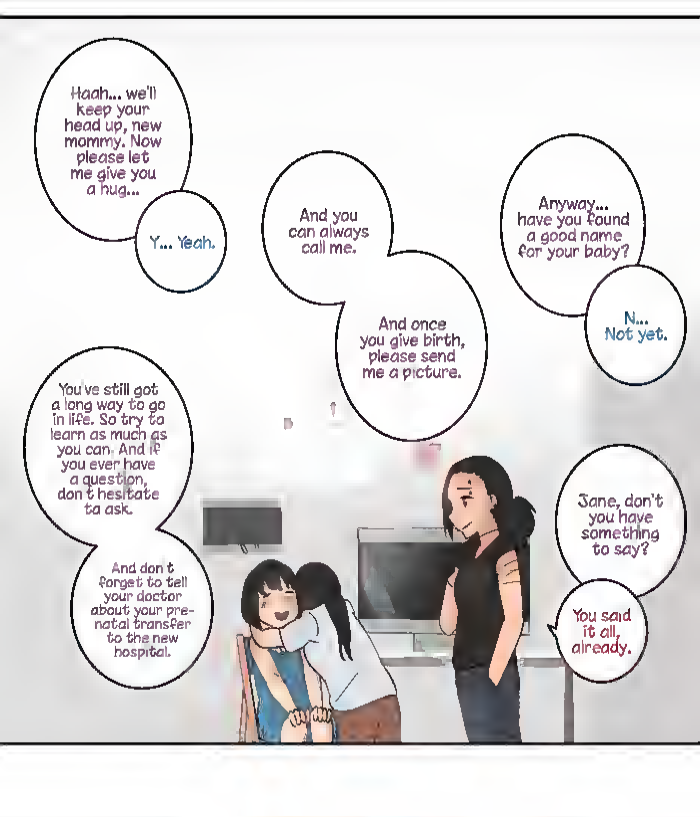
I can't stop thinking how ridiculously lucky I've been to get to know you guys.



Fah...

...It's time to say goodbye, isn't it?

I... I still have to wait and see what'll happen with my mom tomorrow.



Haah... we'll keep your head up, new mommy. Now please let me give you a hug...
Y... Yeah.
And you can always call me.
And once you give birth, please send me a picture.
Anyway... have you found a good name for your baby?
N... Not yet.
You've still got a long way to go in life. So try to learn as much as you can. And if you ever have a question, don't hesitate to ask.
And don't forget to tell your doctor about your pre-natal transfer to the new hospital.
Jane, don't you have something to say?
You said it all, already.

In the morning.
